

When Egypt Plays with the Spirit of a Legend

PROJECT OVERVIEW

An epic cinematic opening conceived for Egypt's 2026 World Cup journey, connecting national identity, football energy and the visual language of legend.

CREATIVE DIRECTION

The project uses heroic scale, symbolic Egyptian imagery and rhythmic sports storytelling to establish anticipation before the competition begins.

PRODUCTION APPROACH

Concept development, cinematic shot planning, Generative AI production and post-production were shaped as one connected visual workflow.

FINAL FORMAT

Short-form AI sports film designed for portfolio presentation and digital release.
